GITAM
DEEMED TO BE UNIVERSITY

ASI Symposium 004 on Genesis and Evolution of Organics in Space (2nd Symposium of OiS)

A multidisciplinary, Pan India consortium to understand molecular origins of life: From Earth to Space.

16th to 18th July 2025

In Association with

About the Symposium

The Symposium on Genesis and Evolution of Organics in Space is a multidisciplinary event aimed at exploring the molecular origins of life, both on Earth and in space. This initiative brings together experts from various scientific fields, including atomic and molecular physics, astrochemistry, planetary science, and space technology, to foster collaboration and advance research on organic molecules in space.

Distinguished Guest

Shri. A.S. Kiran Kumar
Former Chairman, ISRO

Guest of Honour

Dr. S. Somanath
Former Chairman, ISRO

List of confirmed Speakers

- Aparna Shastri, BARC
- Bharamurugan Sivaraman, PRL, Ahmedabad
- Bhaswati Mookerjee, TIFR, Mumbai
- C. P. Safvan, IUAC, New Delhi
- Jeremy Lasue, IRAP, Toulouse, France
- Liv Horenkaer, Aarhus Univ., Denmark
- Nabanita Deb, IACS, Kolkata
- Nadia Balucani, Univ. Perugia, Italy
- Shyama Narendranath, URSC, ISRO
- Reetesh Kumar Gangwar, IIT Tirupati
- Ritu Karidhal URSC, ISRO
- Devendra Mani, IIT Kanpur
- Himanshu S. Biswal NISER Bhubaneswar

REGISTER NOW !

Registration Fees (Inc. GST)
PhD Students : INR 4,000
Faculty/Senior scientists : INR 6,000

Registration close
Results

20.06.2025
01.07.2025

Conveners

- Dr. Shubhadip Chakraborty, GITAM
- Dr. Abhishek Shahi, GITAM

Co-convenor

- Dr. Umesh Kadhane, IIST

Organized by

Department of Chemistry, School of Science, GITAM (Deemed to be University), Bengaluru & Indian Institute of Space Science and Technology, Trivandrum
